Job Description: Temporary Aftersales Buyer- 6 month Contract

Department: Aftersales Procurement

Job role overview:

The Buyer, Aftersales Procurement will support a team of Aftersales Buyers to achieve best value for Triumph through the supply chain for direct components.

With their team, they will develop purchasing strategies and sourcing initiatives with the aim of:

- New model aftermarket requirements.
- Maintaining and building on Triumph's high-quality standards.
- Reducing development cost & lead-times.
- Supporting the Triumph's old models and resourcing activities.

Through their team they will ensure cross functional collaboration with Global Purchasing, Design, Quality, Manufacturing, and Aftermarket Sales to arrive at a balanced, considered outcomes. One team philosophy.

They will work to develop the performance of the existing supply base, where appropriate identify new sources, and rationalise our current supply base.

Report to: Senior Buyer - Aftersales

Location: Factory 2, Hinckley, Leicestershire

Duties and Responsibilities:

The role's key responsibilities will include:

- Liaising with suppliers to negotiate and secure value for money on Triumph's Genuine Parts and Accessories range.
- Building effective stakeholder relationships, ensuring a high service level in terms of quotations, quality compliance and communication
- Identifying savings opportunities through tenders, negotiations, and efficiencies.
- Responsible for the implementation of design changes.
- Utilising multiple applications and systems to deliver accurate metrics, reporting and data.
- To undertake and assist with projects as required by your manager.
- Any other ad-hoc duties as required by your manager.
