

Job Description: Global Logistics Placement Student

Department: Global Logistics

Job role overview: The Global Logistics Team is responsible for the management of all Triumph's logistics providers, this covers air, sea, road and warehousing. The placement opportunity within our Logistics team will provide a global overview of Triumph and the opportunity to work on numerous complex and exciting projects. All of the work you will be involved in will be real everyday activities which will contribute to the overall success of the department and business as a whole.

Working at the forefront of such an exciting and fast-moving industry is challenging. The successful candidate will require a high level of self-motivation and good organisational skills. Initiative and problem solving skills will be key requirements in order to work successfully on both individual and team projects.

From day one you will become an active team member. The role will cover numerous areas of Logistics providing a truly global overview of the business and allowing the candidates to work on complex and exciting projects. Additional training will be provided where necessary to enhance the successful candidate's skill sets.

Please note that this role is only open to university students who are looking to undertake a year out in industry as part of their degree course for the academic year 2025-2026
