

Job Description: Procurement & Supply Chain Graduate (OEM) (MC545)

Department: Global Procurement & Supply Chain

Job role overview:

At Triumph, we are driven to make the best motorcycles in the world. Building iconic motorcycles that celebrate our past whilst embracing the future - through bold design, original styling, purposeful engineering and a genuine passion for the ride. We are going through an exciting period of growth and now seeking a Procurement & Supply Chain Graduate to join our OEM team based at the Global Headquarters in Hinckley. At the forefront of our fast-paced manufacturing operations, the Procurement team manages Triumph's global supply chain. Graduates own real-world project deliverables, contributing to the overall success of the business.

Report to: Procurement General Manager

Location: Hinckley, Leicestershire

Duties & Responsibilities:

Supplier Relationship Management & Negotiation. Onboarding and developing suppliers, defining commodity strategies and negotiating contracts in line with new model activities.

Contract Review. Managing the tender and nomination process, aligning supplier proposals with our own strategic and operational aims.

Competitor Benchmarking. Ensuring our supply chain is as effective as our competitors' via market research and analysis.

Component Development. Lead and co-ordinate new model development discussions with suppliers in collaboration with project stakeholders.

Stock Analysis. Optimising the inventory and cash flow management of the business.

Business Data & Budget Analysis. Tracking business cases vs. targets, reconciling negative variances with savings opportunities.

Management Reports. Support board level reporting, managing the internal expectations across project stakeholders.
