

Job Description: Finance Graduate (MC572)

Department: Finance

Job role overview: Our Group Finance team in Hinckley is responsible for all elements of finance for our global operations, including accounts payable, payroll, customs and duty, management and statutory accounting, treasury and foreign exchange, tax and transfer pricing, commercial finance and business partnering, manufacturing finance and group consolidation; this really is an unparalleled opportunity for the right candidate to see all aspects of finance for a complex global business in one centralised team.

The successful applicant will have the opportunity to work in a mix of the above teams which offers an exceptional opportunity to work within a global finance function with exposure to senior members of staff including the CEO and CFO as well as dealing with finance teams from all over the world.

The role will be demanding and only limited only by your ambition and desire to learn. There will be opportunities to learn the basics of accounting and book keeping, you will be involved in budgeting and forecasting and in addition you'll have the opportunity to be involved in projects enabling you to make a real world contribution to the company. We are looking for exceptional candidates who want to grab every opportunity available to them and really make the most of the opportunity and build the foundations for their future careers. The ideal candidate will be passionate and ambitious and want to make a real impact on the day to day running of the company and to help shape Triumph's future.

We are pleased to offer this opportunity in our Finance Department for students who have studied a Business and Finance or Accounting degree and achieved a 2.1 or above. There are two roles available within different departments.
